RETAIN SAFETY INFORMATION

This manual should be read and understood by all personnel who operate or service this Convertible Cart. Failure to understand how to operate and service this equipment could result in injury or death. This unit should only be operated by qualified personnel.

IMPORTANT SAFETY INFORMATION

- ALWAYS set convertible cart on a firm, level surface.
- ONLY roll on a firm, flat, smooth surface.
- NEVER stand in front of the cart (payout direction) while dispensing.
- ALWAYS have control of the reel when loading or unloading.
- Keep the area free of personnel who are NOT involved with the loading, unloading, or dispensing process.
- ALWAYS engage both wheel stops and dispense from the bottom of the reel and away from the handle.
(See Figure 1).
- DO NOT attempt to dispense cable from reels that are damaged. Reels that are damaged may fail to roll freely and can be pulled off the cart or cause the cart to flip.
- DO NOT exceed the rated capacity of the cart.
- ALWAYS ensure the reel turns freely while dispensing. If the reel stops turning, discontinue the pull and determine cause.

! WARNING !

ALWAYS engage both wheel stops and dispense from the bottom of the reel and away from the handle

SPECIFICATIONS

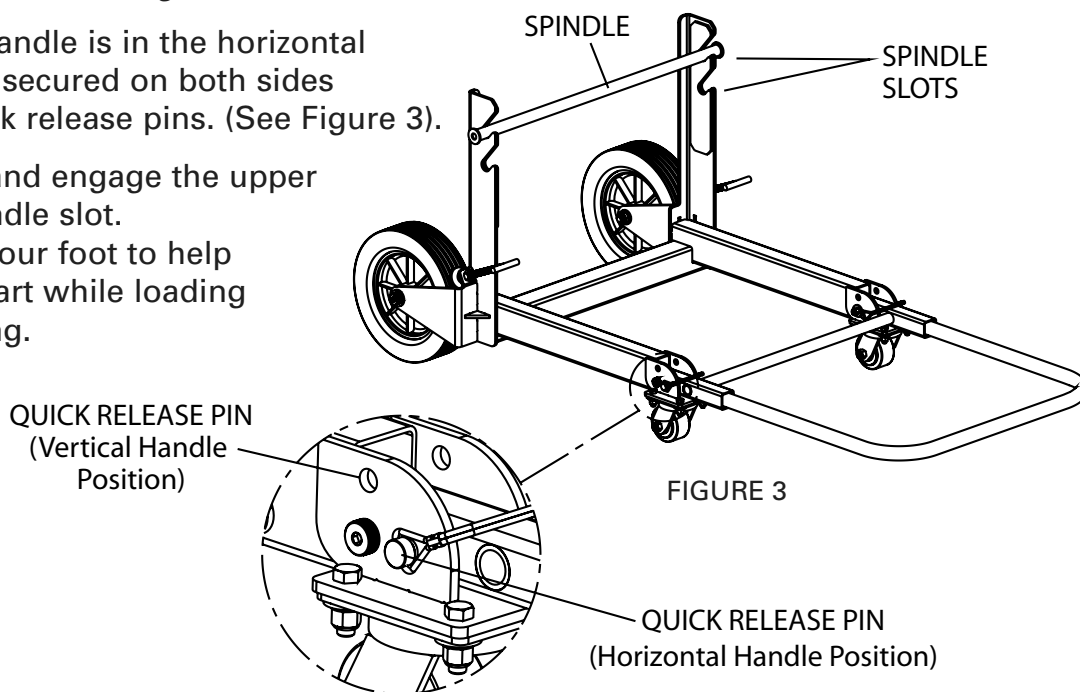

Model No.	518
Overall Dimensions	65"L x 33½"W x 36"H
Weight Capacity	500 lbs
Maximum Reel Width	25½"
Maximum Reel Diameter	30"
Weight	112 lbs.

OPERATING INSTRUCTIONS

TO LOAD REEL ONTO THE CART

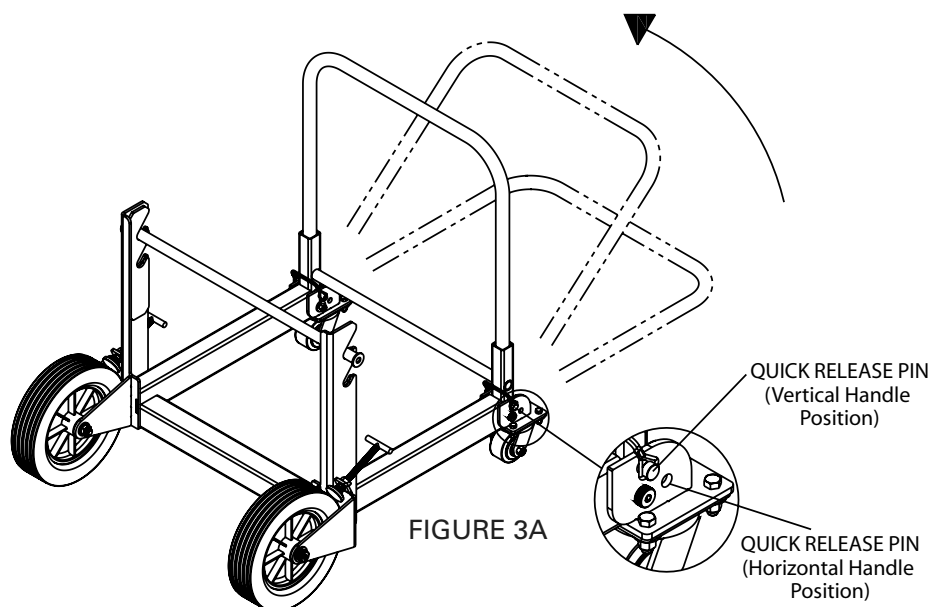

- 1) Insert the spindle through the center of the reel.
- 2) Ensure the handle is in the horizontal position and secured on both sides with the quick release pins. (See Figure 3).
- 3) Lift the cart and engage the upper or lower spindle slot.

NOTE: Use your foot to help control the cart while loading and unloading.

TO USE AS A 4 WHEEL CART

- 4) Lift the reel and continue to lower the handle until all four wheels are on the floor.
- 5) Remove the quick release pins and lift the handle to the vertical position. Install the quick release pins to secure the handle in the vertical position. (See Figure 3A).
- 6) Use the handle to push the cart and transport the reel.

OPERATING INSTRUCTIONS — CONTINUED

TO DISPENSE FROM THE CART

- 1) Position the cart as needed and tighten both wheel stops against the wheels to help prevent the cart from moving while dispensing. (See Figure 4)
- 2) ALWAYS dispense from the bottom of the reel with the payout direction away from the handle. NOTE: The handle can be in either the horizontal or vertical position when dispensing.
