

HOLEMAKING

Drill Driven Punch Driver Knockout Sets

- Punch up to a 4" conduit size hole in a maximum of 10 gauge mild steel
- No hydraulic oil
- 1/2" to 2" punches designed to split the slug into two pieces for easy removal
- High strength steel punches and dies for long life
- Recommended drill – (provided by end user) – 1/2" cordless drill with a minimum of 18 volts
- Fast, easy punching – no ratcheting
- Made in the USA

Piecemaker™ Punches are designed to split the slug into two pieces for easy removal from die after punch completion.

Current Tools™ Punch Driver may be used with Greenlee* Punches and dies
